

K-LOVE is an important part of the Omaha community. The music and programs on this station are always positive and uplifting. With all the negative programming available, this is a breath of fresh air. If K-LOVE is displaced by an LPFM broadcaster, this could illiminate the opportunity for people from all faiths and walks of life to hear the positive message that K-LOVE consistently offers. Please don't allow this to happen. Please do not take this station from the community by bringing. Our future depends on hearing positive broadcasting. Thankk you, Eileen Heitman
